Betsy-

Thank you for your assistance with submittal of our 2010 Urban Water Management Plan update. Per our conversation, the plan is available as a single PDF file from the City's FTP site at:

http://www.SantaBarbaraCA.gov/Files/Public_Works/

File Name: UWMP.City of Santa Barbara.2010 Update.FINAL.pdf
Pages: 216
Approximate file size: 15 MB

Also, attached to this email is our cover letter and UWMP checklist. As noted in our cover letter, we will follow-up with delivery of a hard copy to your office.

As today is day number 30 since adoption of the plan, I will appreciate confirmation that you have received the files and logged the receipt as of today.

Thank you again.

Bill
